## CLIENT SUCCESS STORY:

### CRIMINAL DEFENSE

John Rockwell of Woolsey Morcom represented a recent college graduate who was arrested after being pulled over for driving recklessly, admitting to consuming multiple alcoholic beverages, and performing poorly on the field sobriety exercises.

The client blew well over twice the legal limit in the State of Florida and was charged with Driving Under the Influence With a Breath Alcohol Level of 0.15 or Greater. After substantial negotiations with the State Attorney's Office, Woolsey Morcom was able to get the charge reduced from DUI to Reckless Driving without any criminal conviction and resolved the case for probation with early termination and all civil traffic infractions were dismissed.
